HOMES IN YOUR TOWN

Dear Mr. & Mrs.

In today's complex housing industry, it's not surprising that the assistance of an experienced realtor is critical to the successful home sale. In fact, nationwide in 2005, homes marketed by realtors sold for 16% more than homes sold by owners.

I will be happy to provide you with a comprehensive analysis of the market, including data you won't get anywhere else, to keep you current with all the activity in your neighborhood.

Please call me if you would like to take advantage of this no obligation and free service. I can be reached at (732) \_\_\_\_\_.
